

**UHM- Universal Helmet Mount for**  
**ACH, Mich, CVC models**

<b>UHM- Universal Helmet Mount</b>	Lightweight and secure mounting platform that bolts to the back of all current issue combat helmets. Safely attach beacons, locators, tags, battery packs and other items to the helmet. More secure and reliable than Velcro and 100 mph tape.
<b>Product Material</b>	Glass Filled High Impact Nylon. Performs well in both Hot and Cold Temperatures.
<b>Product Features</b>	27 various anchor & attachment points using the slots, openings, holes and fingers on the mount. Integrated 8-32 stainless steel inserts at 5 locations on the mount for securing standard sized 8-32 screws.
<b>Compatible with following standard issue and COTS items</b>	Chemlights, ACR MS-2000 strobes, NVG Battery packs, Firefly, Phoenix, Adventure Lights VIP, Guardian and Laserstik lights, Streamlight Sidewinder and others.
<b>Weight: UHM Mount :</b>	<b>1. 5 ounces / 44 grams</b>
<b>UHM Mount with MS-2000 Strobe Bracket:</b>	<b>2. 6 ounces / 74 grams</b>
<b>One Size Only:</b>	Mount fits all Small, Medium, Large and XL Size helmets
<b>Compatible Helmets</b>	ACH, Mich, CVC, Gunslinger,
<b>Available Colors</b>	Foliage Green, Coyote Tan and Black ( ACU digi , Marpat, Multicam available upon request)
<b>Installation</b>	Uses existing rear helmet bolt pattern and maintains integrity of helmet ballistics. Ballistic hardware included.
<b>Origin</b>	Manufactured and assembled in both Canada and the United States
<b>Production Capacity</b>	10,000- 15,000/month
<b>Warranty</b>	90 days against manufacturer defects
